2 Weeks Before Moving

Start Packing Your Stuff Safely

Begin packing your belongings, focusing on non-essential items first. Make sure to pack fragile items with care and label boxes to make the unpacking process easier.

Checklist:

- ☐ Pack non-essential items
- ☐ Label all boxes clearly
- ☐ Use protective materials for fragile items
- ☐ Organize important belongings
- ☐ Dispose of unwanted items
- ☐ Prepare an essentials box

Move Out

Move Out All Your Stuff

On moving day, ensure that everything is loaded safely onto the moving truck, perform a final sweep of the house, and hand over keys to the new owners or landlord.

Checklist:

- ☐ Supervise loading of the truck
- ☐ Perform final home inspection
- ☐ Clean all rooms and spaces
- ☐ Ensure utilities are turned off
- ☐ Return keys to landlord
- ☐ Verify nothing is left behind

Move In

Unpack Your Stuff

Upon arriving at your new home, begin by unpacking essential items first. Make sure to check if all boxes have arrived and are placed in the correct rooms.

Checklist:

- ☐ Unpack essential items
- ☐ Place boxes in correct rooms
- ☐ Set up kitchen and bathroom
- ☐ Verify all items are intact
- ☐ Reconnect utilities
- ☐ Organize storage spaces
